Article I. Purpose and Duration

Section I. Purpose

The purpose of the NC 507 CoC is to create a collaborative, inclusive, community-based process and approach to plan for and manage homeless assistance resources and programs effectively and efficiently to end homelessness in the jurisdiction as specified in the US Department of Housing and Urban Development (HUD), 24 CFR Part 578, Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act: Continuum of Care Program. The Governance Charter identifies the composition, roles, responsibilities, committees, and processes involved in the planning and programming of the Wake County CoC. Additionally, the NC 507 CoC serves as the U.S. Department of Housing and Urban Development (HUD) recognized decision making body for the Continuum of Care Rule 24 CFR 578, Subpart B, entitled “Establishing and Operating a Continuum of Care.”

Section II. Duration

HUD regulations (24 CFR part 578.7(5)) require CoCs to review and update their governance charters annually. The NC 507 CoC will review, update, and approve this governance charter at least annually. Amendment of the charter requires a vote of the NC 507 CoC membership at a regularly scheduled membership meeting.

Article II. Mission, Vision, and Values

Section I: Mission

The NC 507 CoC plans, develops, and implements comprehensive and coordinated strategies across funding sources and systems to address homelessness in Wake County.

Section II: Vision

The vision of the NC 507 CoC is to ensure that homelessness is rare, brief, and non-recurring. We will achieve this vision through our shared values and actions.

Section III: Values

Housing First: We recognize that housing is a human right and will not require pre-conditions for access to housing.

Trauma-Informed: We will use trauma-informed practices in how we work together and serve people experiencing homelessness.

Equity and Justice: We work to eliminate discrimination so that race, ethnicity, gender identity, or sexual orientation are not predictors of who becomes homeless or predictors of outcomes within the homeless system. We are committed to re-envisioning just systems to prevent and end homelessness.

Leadership by People with Lived Experience: We will be accountable to people experiencing homelessness and ensure there are meaningful and accessible ways to participate in shaping

decisions.

Transparency: We believe in being transparent with people experiencing homelessness and our community.

Efficiency: We implement efficient systems that help people experiencing homelessness get housing as quickly as possible because every day a person spends unhoused is a day too many.

Collaboration: We know working together is better than working alone.

Client-Driven: We believe that people experiencing homelessness are experts in their own lives and that service providers' role is to support strengths and overcome barriers.

Article III: CoC Membership

Section I: Definition

The CoC is made stronger through the participation of broad and diverse Members. Membership in the CoC is open to any individual or organization that embraces the mission, values, and goals of the CoC.

Organizations and unaffiliated individuals residing or working within Wake County may be members of the CoC. The NC 507 CoC will actively recruit by connecting with community members on a regular basis and making regular calls for new members through various forms of correspondence for a broad and inclusive membership including, but not limited to persons with lived experience of homelessness, nonprofit homeless assistance providers, victim service providers, faith-based organizations working to reduce homelessness, local governments, businesses, funders, advocates, public housing agencies, school districts, social service providers, mental health and substance use agencies, healthcare providers, universities, affordable housing developers, landlords, and criminal justice providers.

The NC 507 Membership, Governing Board, and Collaborative Applicant all serve as the communitywide champions on issues related to homelessness and the effort to achieve functional zero, effectively ending homelessness by providing leadership around homeless efforts and policy, forming and maintain effective partnership, increasing public awareness and relations, fundraising to support effective strategies and leading advocacy efforts.

Section II: Voting

The following levels of membership exist:

- Non-Voting Members
- Voting Members

Non-Voting Members

Any person or organization who attends at least one meeting per calendar year is considered a Non-Voting Member in good standing of the NC 507 Continuum of Care. Non-Voting Members may choose to receive information from the NC 507 CoC including, but not limited to, meeting

notices, Continuum of Care meeting minutes, and Continuum of Care reports. To remain in good standing, Non-Voting Members must attend at least one meeting per calendar year to maintain their membership.

Voting Members

To become a voting member of the NC 507 CoC, an individual or representative of an agency must be a member of the NC 507 CoC in good standing, be located or provide services in the CoC's geographic area and complete a NC 507 CoC Voting Member Application Form. Each application will be reviewed and approved by the CoC Nominations Committee following CoC-approved application standards. Once the application form has been approved and the attendance requirements met, the Collaborative Applicant will notify the person/agency of their voting status. There is no minimum or maximum number of voting members on the NC 507 CoC.

The following types of voting members exist:

Organization Voting Members

An agency/organization may apply to receive voting status after attendance at one Continuum of Care meeting. An agency/organization may identify two (2) persons who may vote on behalf of the agency/organization. Only one (1) representative of an agency/organization may cast a vote on each action. If neither representative can attend a duly called meeting, the organization may, with prior notice to the Collaborative Applicant, designate a proxy. Designations of proxies to conduct business should be rare. If a Continuum of Care voting member is unable to routinely conduct business, the agency/organization should seek to assign representation to another individual.

Voting members must attend at least 75% of CoC meetings in a calendar year to remain active as voting members.

Individual Voting Members

An individual who does not work for or represent an agency/organization may be an individual member. An individual may apply to become a voting member after attendance at one Continuum of Care meeting.

In the case that individual members make up more than 40% of the total CoC membership of both organization and individual voting members present for a vote, the total votes of the individual members will be proportionally weighted so that they do not count for more than 40% of the total CoC membership's vote on any proposed action.

Section III: Membership Duties

Duties shall include:

- Advise CoC Board on policies via committee participation
- Recommend funding priorities to the CoC Board
- Vote on CoC governing issues such as revisions to the CoC charter

Section IV: Meetings and Communications

The Collaborative Applicant will announce the date, time, and location of the CoC meetings at least 5 days in advance. Results of actions taken at a CoC meeting shall be published on the website within 7 days. If the meeting is scheduled to take place virtually, a link to the meeting will be provided with the published notice.

Special Governing Board requests / appeal can be made by submitting an email to the collaborative applicant at: coc@partnershipwake.org. The request / appeal should include the nature of the request (who, what, where, why, and / or when). To be included on the agenda the request should be made within 7 days of the Board meeting.

- the Board or Committee explains the urgency of acting without a meeting.

Section VI: Recruitment

The NC 507 CoC will publish and appropriately disseminate, in conjunction with the Collaborative Applicant, an open invitation at least annually for persons within the NC 507 CoC area to join as new CoC members. The Collaborative Applicant will document recruitment efforts.

Article IV. CoC Governing Board

The Governing Board is responsible for overseeing the planning, coordination of resources, and evaluation of results for the community. The Governing Board is empowered to create standing committees and ad-hoc working groups to achieve community goals. Section III: Size and Membership of the NC 507 CoC Governing Board

The Board will consist of no more than 22, and no fewer than 15 members, all of whom will have one vote. In keeping with the CoC's values, the CoC will work to ensure diversity in experience and representation on the board regarding racial and ethnic diversity, disability, age, sexual orientation, gender identity, history with the criminal justice system, income, and education. No single organization may hold more than one seat on the Board. The following seats represent stakeholders that are either appointed, nominated, or elected:

The CEO / Executive Director of the Collaborative Applicant will be a nonvoting member of the Board. The Collaborative Applicant seat will not count towards a meeting quorum.

Section IV: Process for Board Member Selection

The CoC is committed to a diverse and inclusive Board in terms of race, gender, sexual orientation, immigration status, and other factors. The Nominating Committee will be charged with monitoring diversity of the Board and undertaking efforts to recruit a diverse membership. All members of the NC 507 CoC Governing Board will demonstrate a professional interest in, or personal commitment to, addressing and alleviating the impacts of homelessness on the people of the community.

Section V: Terms of Office

The members of the NC 507 CoC Governing Board shall serve two-year staggered terms so that the Board membership does not turn over all at once. The Governing Board will have two officers (Chair and Vice Chair), who will be selected by the members of the Board for two-year terms. Any member of the Board may serve as an officer. Board officers may serve up to two consecutive terms.

Section VI: Meeting Frequency

The Governing Board will decide how frequently to meet, but, in no event, shall the Board meet less frequently than every other month to conduct the business of the CoC. The Governing Board shall establish a published meeting schedule of regularly scheduled meetings before the start of each calendar year. The first Governing Board seated under this Charter shall establish a regular meeting schedule at its first meeting. Meeting schedules and agendas will be posted on the CoC website by the Collaborative Applicant. Agendas will be published at least 5 days in advance of a Board meeting.

Section VII: Vacancy, Removal, and Resignation

In the event of an Elected Seat vacancy, the members of the NC 507 CoC Governing Board will elect a successor to hold the vacant seat for the remainder of the term of the person vacating the seat. At the end of the term, a regular election will be held as described in this charter. In the event of an Appointed Seat vacancy, the Appointed Entity must appoint an individual designee to fill the vacant seat.

Members of the NC 507 CoC Governing Board may remove a Board member (nominated or appointed) who is absent for two (2) regularly scheduled Board meetings in any twelve-month period. Unexcused absences from special meetings will generally not be considered in this calculation but may be included as appropriate. Absences are considered excused if the CoC Board Chair is notified within 8 hours of the meeting via phone, e-mail, or letter.

NC 507 CoC Governing Board members (elected or appointed) may also be removed by a $\frac{3}{4}$ vote of the NC 507 CoC Governing Board then-seated for cause including but not limited to:

- Failure to perform Board duties
- Failure to comply with this Charter and/or applicable policies
- Engaging in conduct that constitutes a conflict of interest
- Engaging in behavior that causes harm to the reputation of the NC 507 CoC

Such seats will then be filled through the process described above under vacancies.

Unless otherwise provided by a written agreement, any member of the NC 507 CoC Governing Board may resign at any time by giving written notice to the Chair. Any such resignations will take effect at the time specified within the written notice or if the time is not specified in the written notice, it will take effect upon its acceptance by the NC 507 CoC Governing Board.

Section VIII: Voting and Quorums

A meeting quorum will consist of 50% +1 of the sitting CoC Governing Board members. Attendance at a meeting is defined as in person or via telephone/video when available. Votes may also be held and confirmed by the same quorum via email, for time-sensitive situations. At the discretion of the Governing Board Chair, a "closed session" may be called to protect or maintain confidentiality.

Section IX: Code of Conduct/Conflict of Interest/Recusal Process for Continuum of Care Board

No member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents or to themselves as individuals. Therefore, any individual participating in or influencing decision making must identify actual or perceived conflicts of interest as they arise and comply with the letter and spirit of this policy. Disclosure should occur at the earliest possible time and if possible, prior to the discussion of any such issue. Individuals with a conflict of interest should recuse themselves from discussion and voting on any issue in which they may have a conflict.

The Continuum of Care will approve a Conflict-of-Interest Policy annually.

Written disclosure statements will be reviewed and signed by each member upon joining the board, any time conflicts of interest change, and annually. Members will not be permitted to participate in

any discussion or vote until the statement is on file. All voting members shall have the right to recuse themselves from voting on the matter without providing an excuse.

Section X: Operating Year

The operating year of the NC 507 CoC follows a calendar year, commencing on January 1st and ending on the 31st day of December.

Article V: Committees

Section I: Standing Committees

The work of the CoC is extensive, and there are many responsibilities that a single entity, cannot effectively manage on its own. Therefore, the CoC, through its Governing Board, will establish committees (on-going) and time-limited workgroups to facilitate the work of the CoC. Each committee and workgroup will have a clear purpose, publish agendas and minutes, and communicate its findings, recommendations, and concerns to the Governing Board.

In establishing committees, the Governing Board will include categories of expertise and/or stakeholder groups it desires to include on each committee. The Nominations Committee of the NC 507 CoC will be charged with seeking individuals to fill these slots and then presenting the names and qualifications to the Governing Board, which will vote to approve them.

Committee membership should reflect the diversity of the community. To the extent feasible, **1-2 persons with lived experience** and at least one Board member should be part of every committee. Those with Lived Expertise will provide the consumers' perspective to committees, workgroups, and the Board. Committees will be open to persons (CoC members, Collaborative Applicant staff, and others) who have expertise and interest in the subject matter of the committee, as well as persons with lived experiences. Committees may elect a chair, subject to ratification by the Board, except for the Nominating Committee, which will be chaired by the Vice-Chair of the Governing Board. To limit undue influence of the Executive Committee, Organizations may have only one person chair a committee simultaneously.

Standing committees shall include but not be limited to:

Executive Committee

The Executive Committee will be composed of the NC 507 CoC Governance Board Chair and the Chair of each the Governance Committees. The Executive Committee is responsible for ensuring that members and committees are fulfilling their responsibilities in compliance with governing documents (especially the conflict-of-interest policy), funder requirements, and legal statutes. It sets the agenda for CoC Governing Board meetings and CoC Membership meetings. The Executive Committee will receive written grievances as noted in Section VIII of this Charter and review and respond to the grievance within fifteen business days of the grievance. The Executive Committee also convenes ad hoc committees for specific tasks and/or special issues.

Should the Executive Committee not have 50%+1 seats filled (4 seats), the Governing Board will fulfill the requisite task.

Funding Review Committee

The Funding Review Committee reviews and ranks project applications for the CoC Program and other approved funding for recommendation to the CoC Governing Board. Collaborative Applicant staff will create and recommend a fair and transparent process that includes a documented grievance process and recommends the scoring and ranking criteria for projects eligible for funding under the CoC Program to be approved by the funding review committee. Scoring and review committee members are approved by the CoC Governing Board. Homeless services agencies receiving or requesting CoC funding are prohibited from participating in this committee.

Nominations Committee

The Nominations committee receives, review and recommends persons to serve on the NC 507 CoC Governance Board and its committees. The Nominations committee engages in recruitment activities to engage as many and diverse stakeholders in the CoC as possible. This committee works in collaboration with CoC Governing Board to develop any qualifications for membership in CoC entities as deemed necessary.

Coordinated Access System Committee

The committee for the Coordinated Assessment System (CAS) provides macro-level oversight of the coordinated assessment system. The committee, in coordination with the Coordinated Assessment (Centralized Intake) administering agency, troubleshoots issues and makes recommendations to the CoC Governing Board and the full CoC membership on any macro-level changes for system improvement, such as significant changes to policy and prioritization of people experiencing homelessness, CE Policies and Procedures, and Written Standards. This committee must include representation from the CoC Collaborative Applicant.

Data Advisory Committee

The Data Advisory Committee identifies needs for HMIS training and reviews HMIS reports to be submitted to funders such as HUD or ESG jurisdictions. This committee is also responsible for reporting periodically on the status of data completeness and other data quality measures to the CoC Governance Board and the CoC Membership. The members on the data advisory committee regularly review data policies and procedures and provide recommendations on how system-wide data performance can be improved. In collaboration with the HMIS Lead, the committee will ensure the completion of the Annual Gaps Analysis and complete system and project-level performance evaluation and data monitoring.

CoC – Homeless Emergency Response Committee

The primary role of the CoC-EOC is to assist and oversee the management of “emergency” events as they arise. Activation would be determined by the set guidelines and protocols that are set forth by this committee and approved by the NC 507 CoC. The benefit of having such a system in place would be to have a unified command structure and communications strategy for large scale events or events where multiple people/agencies are impacted. The overall objective would be to establish a scalable standard response structure that would be approved through the

CoC and its partners. This work would also consider existing structures and policies and expand on those where feasible to develop the standard guideline.

Racial Equity Committee (TBD)

The Racial Equity committee evaluates the NC 507 CoC policies and data related to racial equity. The purpose of this committee is to ensure that equal access to safe and affordable services and housing is the norm for African Americans, Indigenous people, and Latinx peoples. This committee will also monitor the extent that these populations are overrepresented in the homelessness system, recommends policy changes based on data and best practices, creates, and supports system partnerships, and develops plans and processes to assess whether the CoC's policies and resource allocation decisions are positively impacting inequities among homeless individuals and families in the community.

Article VI: Collaborative Applicant

Section I: Selection Process

Once the CoC Governing Board is in place, the Governing Board will develop a written, transparent process to select and approve a Collaborative Applicant for a five-year term with the understanding that a Collaborative Applicant may be selected more frequently if there are performance concerns.

Before the submission of the annual application to HUD for Continuum of Care Program funding, the Collaborative Applicant must submit a final draft of the application to the CoC Governing Board for approval. Depending on the timing of the submission to HUD, the CoC Governing Board and Collaborative Applicant will create a timeline for submission to the Continuum of Care. The Collaborative Applicant in Wake County will also provide staff and leadership to the various committees and workgroups that constitute the CoC.

Only the Collaborative Applicant will be eligible to apply for CoC planning funds through the CoC grant process. These funds will be used, as directed by the Governing Board, to provide dedicated staff and resources, and to undertake planning projects, to support the work of the CoC.

Article VII: HMIS Lead Agency

Article VIII: Grievance and Appeals

Section 1: Grievance and Anti-discrimination

NC 507 CoC affirms that people who wish to file a grievance have the right to do so without retaliation from the party accused or any associated representative. Retaliation includes, but is not limited to; harassment, intimidation, violence, program dismissal, refusing to provide services, use of profane or derogatory language to or in reference to the complainant, or breach of contract. If any party feels aggrieved by an action or decision of the Board, its committees, lead agencies or any other group governed by this Charter, the aggrieved party should first comply with any written grievance or appeal policy that may exist for that process, entity, or group.
